

ECLIPSE for Solid State Logic® ORIGIN

GENERATION 4 Eclipse console system features a sonically diffusive silhouette that minimizes acoustical influence while retaining important features of a large format console in the critical listening environment.

Creature comforts include padded armrest sections, smooth fingerprint resistant writing surfaces, ample leg room and smart optional accessories.

Options and accessories include: Mahogany end panel trim, rail-mounted isolating speaker platforms, articulating monitor arms, off floor CPU, UPS mounting brackets, and more.
